1. How to view the seeds page and the digital catalogue

Select the members area drop down and click on seeds scheme

You will then be taking to the seed page which has information, tips and videos. If you scroll down to the ordering information section, you will see the 'click here' links

Ordering Information

One of many valuable benefit to our members; annually, Kings Seeds produce a special NAS Members catalogue for both individuals and association members that is dispatched in early August. The prices in this catalogue are already discounted by 40% on mail order prices and Associations receive further discounts for bulk orders.
